NOTICE: The Division of Coastal Resources Management (DCRM) under the Bureau of Environmental and Coastal Quality (BECQ), the State's federally approved coastal management program (CMP), is currently reviewing a federal consistency determination for the following agencies:

- 1) Commonwealth of the Northern Mariana Islands Joint Military Training (CJMT) CZMA Federal Consistency Review for the proposed land-based military training and the construction of associated infrastructure on the island of Tinian in the Commonwealth of the Northern Mariana Islands (CNMI).

The proposed activity is subject to review for consistency under the policies of the CNMI Management Program, and is published for compliance with 15 CFR § 930.42. Comments for this certification may be submitted within 5 days of the publication of this notice, due to the urgency of the request to support the coordination and approval of this emergency project.

- 2) The National Park Service CZMA Federal Consistency Review of the Micro Beach Restoration Area.

The proposed activity is subject to review for consistency under the policies of the CNMI Management Program, and is published for compliance with 15 CFR § 930.42. Comments for this certification may be submitted within 5 days of the publication of this notice, due to the urgency of the request to support the coordination and approval of this emergency project.

Federal Consistency is a provision of the Coastal Zone Management Act (CZMA) that requires federal actions that affect the coastal zone to be consistent to the maximum extent practicable with the enforceable policies of a State's federally approved coastal management program (CMP). To submit comments, or access more information about the proposed activities, you may contact DCRM via email at fedcon@dcrm.gov.mp, (670) 664-8300, or access the DCRM website under Public Notices at: <https://dcrm.gov.mp/our-programs/permitting/federal-consistency/>.
