TO THE APPLICANT

It is the responsibility of the applicant to completely answer all questions applicable to the project and attach to the application all required supporting materials. If a question is not applicable, "N.A." should be placed in the appropriate space. Until the needed information and materials are supplied, CRM will not file or act on the application. Attach all required materials (maps, business license, captain's license, insurance policy, worker's compensation insurance, registration, land lease, instructors license, etc.) that may be helpful in evaluating the application. All attachments must be submitted complete and will be considered part of the application. If you need assistance in completing this application, contact CRM at 664-8300 on Saipan. On Tinian and Rota, contact the local Coastal Coordinator.

Please take time to fill out all applicable information clearly and carefully. A complete application usually results in quicker permit processing.
