Re: Federal Consistency Determination for the Proposed Temporary Seabee Expeditionary Camp on Military Leased Area in Tinian, CNMI

Dear Mr. Moon,

The Commonwealth of the Northern Mariana Islands (CNMI) Division of Coastal Resources Management (DCRM) has reviewed the negative determination regarding the proposed temporary construction of a Seabee expeditionary camp on approximately 5.5 acres of Military Leased Area on Tinian for training, humanitarian projects, and infrastructure.

Based on the details provided in the federal consistency determination, DCRM concurs that the proposed action will be performed in a manner that is consistent with the enforceable policies of the CNMI's coastal management program. Should you have any questions or require further information, please contact fedcon@dcrm.gov.mp.

Sincerely,

JANICE E. CASTRO
Director
Division of Coastal Resources Management
