Re: Request for Consistency Certification for Mobil Oil Mariana Islands, Inc. – Discharge
To Waters of the United States

Dear Ms. Sablan,

Hafa Adai! In accordance to 15 CFR Part 930 Subpart D, Mobil Oil Mariana Islands, Inc. (Saipan Terminal) is requesting for a federal consistency review & certification for its NPDES Permit MP0020397 for the discharge of pollutants from the Mobil Saipan Terminal in Lower Base, Saipan pursuant to the Coastal Zone Management Act.

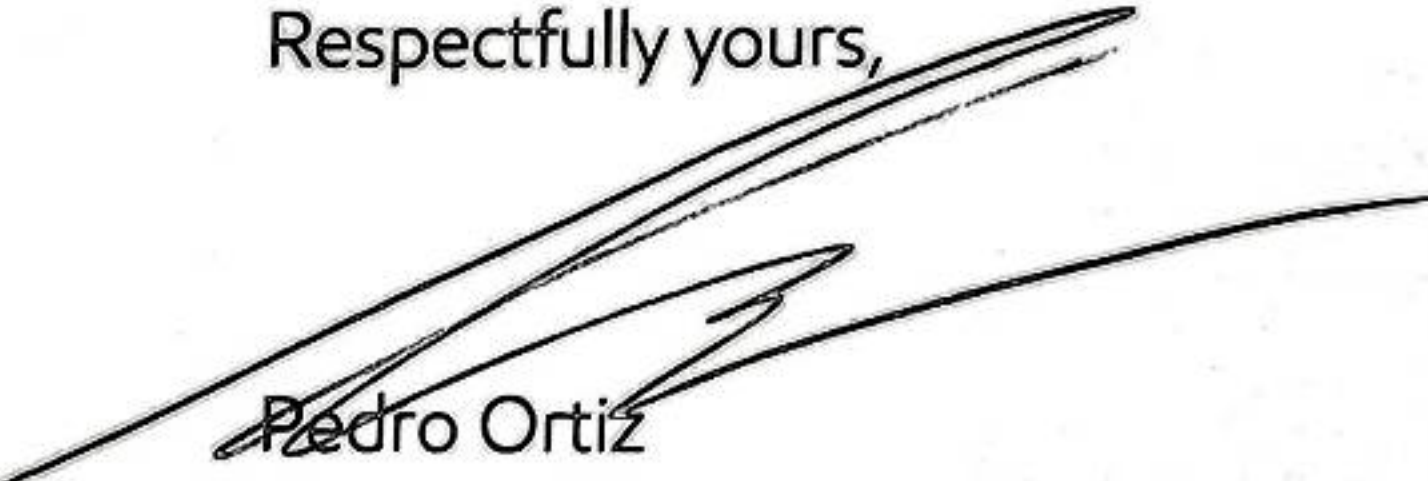

Mobil has recently provided the following documents to your office for review:

1. Draft NPDES Permit MP0020397 and Fact Sheet
2. NPDES Permit Application
3. USEPA's request for 401 Certification
4. 401 Water Quality Certification & Mixing Zone Approval (BECQ)

Should you have any questions about this request, please contact Analissa Mercado at 671-687-7178 or via email at analissa.mercado@exxonmobil.com. Thank you.

I certify that proposed activity complies with the enforceable policies of the CNMI approved management program and will be conducted in a manner consistent with such program.

Respectfully yours,

Pedro Ortiz

CNMI Field Operations Manager
