

Justification:

To measure the use of the Saipan lagoon and to ensure best management practices, we are looking to collect additional information from the Marine Sport Operators community. This information will be used to continue to enhance the Saipan Lagoon Use Management Planning (SLUMP) project and to identify priority tourism sites for management recommendations. For more information, please go to <https://dcrm.gov.mp/current-projects/sustainable-sites/> or contact kmcclellan@dcrm.gov.mp for questions.
