Public Notice

From the COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS COASTAL
MANAGEMENT PROGRAM
of the CNMI'S DIVISION OF COASTAL RESOURCES MANAGEMENT

DATE: April 17, 2019

NOTICE: The Bureau of Environmental and Coastal Quality (BECQ) Division of Coastal Resource Management (DCRM) is currently reviewing a federal consistency review request from the Commonwealth Ports Authority (CPA) regarding the proposed replacement of existing airport perimeter fence for the Tinian International Airport. This project is being funded by the U.S. Federal Aviation Administration. Additional information of the project can be accessed via the DCRM website at <https://dcrm.gov.mp/wp-content/uploads/crm/CPA-Perimeter-Fence-Replacement-Project.pdf>.

Federal consistency is a provision of the Coastal Zone Management Act (CZMA) that requires federal actions that affect the coastal zone to be consistent to the maximum extent practicable with the enforceable policies of a coastal state's federally approved coastal management plan.

Comments on whether the project is consistent with the enforceable policies of the CNMI's coastal management program can be submitted to the Division of Coastal Resource Management at FedCon@dcrm.gov.mp.

This public notice has been published for compliance with 15 CFR § 930.42. DCRM is soliciting public comments for ten (10) days, starting on April 17, 2019 and ending on April 26, 2019, in order to give the public sufficient opportunity to develop and provide comments on whether the proposed project is consistent with management program enforceable policies. We welcome your feedback and thank you for your consideration.
